Subject: Chapter 13 for you to look at when you get a chance
BBA ERD reDraft Chapter 13 clean RP draft 1.docx

I started the revision to Chapter 13 right in the draft of chapter7. I cleaned up the track changes on most of it because it was hard to follow. If a section is rewritten it is called 13.something so 13.1, 13.2 and 13.5.2 are all new sections. Anything stating with 7 has not been rewritten. 13.5.2 is the impermeable surface piece and it is in track changes.
